## ACCEPT OUR THANKS—

We can not neglect the duty we owe to  
the citizens of Bourbon and surrounding  
counties—a duty it gives us pleasure to fulfill,  
namely, the giving of thanks to them for the  
continuous and ever increasing support, a  
support without which it would be impossible  
for us to prosper. In the past we have done  
all we could to command success and if the  
public will continue to give us their support,  
we promise with every increase of patronage,  
a corresponding lowering of prices. Our only  
wish is for our business to net us a comfort-  
able living. We firmly believe that the vol-  
ume of our trade this coming season will  
reach that point in magnitude where we  
shall be justified in selling all goods at lower  
average profit than ever before. It all de-  
pends on your patronage. Will you give it?  
We hope you will. No wishing you a prosper-  
ous year in 1901, we are respectfully and  
thankfully, your obedient servants.

PARKER & JAMES,

FOURTH & MAIN STS., - - PARIS, KY.

If you cannot read this small print at a distance of 1 ½ inches eye es  
eyesight is failing and should have immediate attention:

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centred and  
made of purest material, set in frames of the highest elasticity and consequently of greatest  
durability, united with the utmost lightness and elegance. When both frames and lenses  
are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they  
are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them.  
You will get poorly adjusted spectacles or poor, impure, flint lenses, and are better off without  
any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful,  
dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit  
our store on the second and last Thursdays of each month and invite  
all to call and have their eyes examined, for which there is no  
charge. Satisfaction guaranteed or money refunded.

Next visit—Thursday, Jan. 10, 1901. Hello, 170.
